

The **JA BOWL-A-THON** brings local businesses together to have a great day and help to make financial literacy, entrepreneurship and work-readiness programs for WNY students possible. As WNY's largest bowling fundraiser, this is one event that many companies return to year after year. Teams of five raise funds for Junior Achievement programs, leading up to the event in March. Lane fees are \$10 per bowler (includes two games of bowling & shoe rental). Participants are asked to raise a minimum of \$50 each and those raising \$75 or more are eligible for great prizes. *Join the BNSME teams listed above and come bowl for JA kids at the 35th annual Junior Achievement BOWL-A-THON at one of five area bowling centers on March 2 & 9, 2019. 35th Annual JA BOWL-A-THON

JA BOWL-A-THON:

- Junior Achievement's largest fundraiser and a signature event in Western New York!
- Now celebrating its 35th year and growing stronger!
- Annual attendance is over 1,460 employees from 56 area businesses.
- Held at five area bowling centers: AMF Airport Lanes, AMF Lancaster Lanes, Transit Lanes, Mancuso's Bowling Center and Jamestown Bowling Center
- In 2018, the JA BOWL-A-THON raised **\$164,761** for JA kids! This equates to funding for nearly one-third of the programs we run each year, helping us to reach 15,751 WNY students!
- Viewed as a corporate teambuilding event.
- Supported through corporate sponsorships, in-kind donations, and contributions collected by individual participants.
- Visit event web site for more information: www.jawnybowlathon.org

Junior Achievement of WNY:

The purpose of Junior Achievement is to educate and inspire students to succeed in a global economy. Students who participate in Junior Achievement demonstrate:

- An increased desire to stay in school
- A sense of personal economic empowerment
- Preparedness to enter the workforce
- Responsibility for personal economic decisions
- Entrepreneurial ideas and behaviors

Junior Achievement programs offer a real-world education by bringing respected local businessmen and women into the classroom. These classroom volunteers lead students through Junior Achievement's hands-on

programs, which explain and explore how our free market economy works. This blend of education and business gives students an important head start on their career goals and aspirations.
